Dr. Sat Prakash Bansal

Convener, CDOE

Considering the vital significance of the Goal of "Viksit Bharat-2047" and moving ahead on the path of vision enshrined in National Education Policy-2020, it is an extreme pride that our university Central University of Himachal Pradesh (CUHP) Paramshala has stepped into a new era of offering academic programmes at higher level through online learning (OL) mode. The NEP-2020 talks about increasing the access to higher education and improving GER at higher level to 50% by 2047. The current GER at higher level is much low and the programmes through open and distance mode and online learning mode can play a major role in realizing this target. To add an Aashuti (contribution) to this National Yatra, our University has established Centre for Distance and Online Education (CDOE) which will offer various higher education academic programmes through ODL and OL mode. Our University has been accredited with A+ Grade and has been accorded Graded Autonomy by UGC. We have been working seamlessly to create a sturdy network of national and global partnerships with higher education institutions, research organizations and industries. The university has undertaken many significant steps for quality enhancement in higher education and as a result of such efforts, significant achievements have also been made by the university. In the array of such steps, offering of Online Learning (OL) programmes through CDOE is a major breakthrough that will provide the opportunities to the students belonging to socially disadvantaged classes of the society and those in remote areas have very limited representation in higher education. Our mission is to reach the unreached and provide educational facilities to poorer and weaker sections of the society. Additionally, we are also eyeing on global learners, professional workers to take advantage of such OL

lifelong learning for professional more of a necessity in present CUHP shall play its role to meet young aspirants including marginalized and the excluded and breadth of our country, to best services in the field of higher belief that learners of CDOE with knowledge and skills to enter market and contribute to the growth of CUHP, I assure you that your journey with CDOE, CUHP, faculty, helpdesk staff and technical to support, guide and hand request all the learners to topmost priority to upgrade your prosperous future and successful

Dr. Vishal Sood

Director

Never denying a fact that learning at a distance through online mode is the need of the hour. The educational sector has largely got influenced by technological advancements and IT and ICT services to offer various academic programmes have

Prof. (Dr.) Vishal Sood

programmes. Online Learning has been accepted as an effective way of learning and with the IT and ICT enabled facilities such as virtual class rooms, e-tutorials etc. We, at CDOE, have established online LMS for offering online programmes. We have established state of the art media lab and computer centres for offering online programmes. the provision for e-SLM, video lectures, OERs and live discussion forums will create such e-learning environment that will remain memorable for the learners of CDOE. Being the Host as Head of the University, I extend a very warm welcome to all our prospective learners of CDOE and hope that you will cherish the experiences that you will receive through CDOE your academic programme.

become a necessity at present. The NEP-2020 calls for leveraging advantages of technology through ICT based educational initiatives to optimize its use in meeting challenges of quality education. In order to serve education at the door steps of the learners and translating the mantra of 'Learn while Earn' into reality through the use of IT and ICT facilities, the Centre for Distance and Online Education (CDOE) has been established in the Central University of Himachal Pradesh to provide learners with flexible learning opportunities. We are providing educational opportunities to the learners who wish to enhance their educational and professional qualifications. The CDOE follows choice-based credit system (CBCS) in its programmes and adopts modular approach for transacting its curriculum. The curriculum offered by CDOE competes with world class HEIs so as to make the learners competent to portray their capabilities and skills on a global platform. We at CDOE offer a blend of innovative learning and teaching techniques to enhance professional skills and competence of the learners. I invite the learners to have such global academic and professional experiences at CDOE, CUHP and enjoy your academic journey with our dedicated faculty and organization.
